

I would like to again welcome you back to the dance season. As we all get settled into our correct classes, I would like to thank you for your patience and understanding as we have moved the schedule around a little. Attached is an updated copy for you. If there are additional classes you would like to try or need to attend a makeup class, please speak with Ms. Jen prior to doing so.

Costume deposits of \$40 per class is due with your October tuition. All dancers will be measured by Ms. Jen in the next two weeks. We will take into consideration the fact that they will grow from now until June and order accordingly.
